

Coordinated Veteran Care Program (CVC)

TOTAL
VETERAN
HEALTHCARE

Providing the highest level of healthcare services to veterans, Total Veteran Healthcare are specialists in Coordinated Veterans' Care Plans (CVC).

A CVC is a comprehensive plan that is tailored to meet the unique healthcare needs of veterans. It is designed to **provide proactive care coordination** for Veteran Gold Card holders with chronic health conditions, and Veteran White Card holders with chronic DVA accepted mental health conditions.

Coordinated Veteran Care Program (CVC)

TOTAL
VETERAN
HEALTHCARE

Health conditions that may be coordinated through a CVC include:

- » Mental health conditions such as depression, anxiety, and post-traumatic stress disorder (PTSD)
- » Musculoskeletal conditions such as arthritis, back pain, and joint pain
- » Chronic diseases such as diabetes, heart disease, and chronic obstructive pulmonary disease (COPD)
- » Neurological conditions such as Parkinson's disease, multiple sclerosis, and stroke
- » Cancer and other life-limiting illnesses

Completing a CVC through Total Veteran Healthcare provides you with access to our extensive clinical and non-clinical network, with more than 25 services available. Your coordinated care will be delivered with ease of access and speed of access through our high quality clinical team and facilities.

We understand that every veteran is unique, exemplified through providing personalised CVC plans, tailored to each veterans' specific need. Enquire today to access truly coordinated multidisciplinary care.
