

DVA Claim Support (GP & Psychiatry Reports)

Decision-Ready DVA Claims, Backed by Expert Clinical Reporting

Supporting your DVA Claim process, Total Veteran Healthcare provides the full spectrum of **DVA Claim medical reporting** required to deliver a 'decision ready claim'.

Our DVA Claim report GPs and Psychiatrists' have assisted thousands of Veterans with their compensation claims. From **Provisional Diagnosis, Complete Diagnosis, Initial Liability and Permanent Impairment for both functional and mental health**, our team provide complete medical reporting support for your DVA Claim journey.

For many Veterans, access to timely and service-aware clinical diagnostic and medical report assessment is a barrier to receiving healthcare through DVA accepted conditions.

As an independent healthcare provider, Total Veteran Healthcare maintains **some of the shortest wait times in the country** for diagnostic and DVA Claim reports and assessments, enabling you to **access healthcare quicker**. As a treatment provider, we can provide clinically appropriate healthcare during your DVA Claim journey where eligible, from our in-person clinics around Australia, including PAMT.

Tell Your Story, Once

Providing fast, expert medical assessments and ongoing treatment to support veterans through every stage of their DVA claim.

Our DVA Claim Support services are available from our clinics around Australia.

No matter what stage your DVA Claim is at, or if you are using a fee-for-service, free-service, or self-completing claims, you can be referred, or self-refer to Total Veteran Healthcare for DVA Claim Support services.
